

# Put Your College Degree to Work! Scoring Student Assessments No Experience Required!

The Educational Measurement group of Pearson is the most comprehensive provider of educational assessment products, services and solutions. A trusted partner in district, state and national assessments for more than 50 years, Pearson helps administrators, teachers, parents and students use assessment and research to promote learning and academic achievement.

Pearson is seeking college graduates to read and score student assessments on a temporary basis at our Albuquerque Performance Scoring Center located in the Rio Rancho area. Paid training will begin in mid March for this nine week project. Successful employees may be asked to work related projects May-June.
