Valencia County Association Of Educational Retirees

August 2015 Greetings to all retired school employees: The officers of the Valencia County Association of Educational Retirees (VCAER) welcome present and new members. The VCAER is one of thirty-two units in New Mexico. We work together under the auspices of the New Mexico Association of Educational Retirees (NMAER). The state organization serves the needs and interests of all the employees who have retired from a school district or school of higher education in New Mexico.

VCAER also welcomes educators who retired from outside New Mexico. We are inviting all retirees to join us for lunch monthly to visit with former colleagues and make new friends. We collect dues for our local unit to provide scholarships for students in the education field at higher education institutes. Our dues are \$15.00 for certified personnel and \$10.00 for supportive personnel per year. We also welcome spouses who are not in the educational field but would like to participate in our group as associate members for \$5.00 per year. We meet the second Thursday of the month-September through May at 11:00 am - in Belen or Los Lunas.
